

DON'T BYPASS THIS OPPORTUNITY

SALT VILLAGE IS CLOSER THAN YOU THINK

Keep your Gold Coast friends, your office, your school and gain a better lifestyle at Salt Village on the New Tweed Coast when the new Tugun Bypass opens 2 June

The opening of the Tugun Bypass is set to cut up to 20 minutes off the journey between the New Tweed Coast and the Gold Coast or Brisbane. This means that you can now gain the benefits of Salt's pristine beachfront lifestyle, at a price far more reasonable than most other beachside locations, whilst still being close to the things you are used to.

A very limited number of final release beachside lots are now available for pre-release. Don't bypass this opportunity, register your interest today.
